HEALTH ACCESS SOLUTIONS ANNOUNCES RIVERSIDE PHYSICIAN NETWORK LICENSES ACCESS EXPRESS™ SOFTWARE

FOSTER CITY, CA – February 24, 2009--- Health Access Solutions, the software marketing division of Pacific Partners Management Services, Inc. (PPMSI), today announced that Riverside Physician Network (RPN) – Riverside County's premier physician organization - selected Health Access' web-based Access Express™ software to automate health system managed care communications. Beginning March 1, 2009, Access Express will manage and track authorizations and referrals for 45,000 patients.

PPMSI Chief Executive Officer Randall Frakes said, "We are proud to welcome Riverside Physician Network to our growing family of Access Express users. We feel privileged to bring our unique and proven solutions to this most respected network of dedicated physicians."

The hallmark of Access Express is its intuitive, user-friendly interface that provides clients with easy access to member benefits and financial data, including claims, eligibility, benefits, and authorizations.

"The implementation of electronic solutions to our physicians supports RPN's continuing goal to enhance the quality of health care provided to our patients," affirmed Timothy Mackey, MD, President.

Health Access Solutions' web-enabled technology serves more than three million lives. Access Express software supports MSOs, health plans, medical groups, IPAs, and public health systems with innovative solutions to improve physician connectivity and with customer service that consistently exceeds expectations.
